

## Hotel Maitai Lapita Village 3\* - Huahine

Located near the main village, the environment friendly Hotel Maitai Lapita Village Huahine is built on a 3 hectares land encompassing a small white sand beach, a fresh water lake dotted with water-lilies and an archaeological site still uncleared. Facing the crystal clear water of the lagoon, the restaurant, bar and pool offer gorgeous views on the island, on Raiatea-Tahaa, Bora Bora and also magnificent sunsets.

The resort spacious bungalows are modelled after the houses of former Polynesian canoes; they combine local, traditional, modern and recycled materials. Unique in French Polynesia: the Premium Lake Bungalows built around a fresh water lake.

Hotel certified EarthCheck and accredited "EarthCheck Benchmarked Bronze". This Certification reinforces and confirms its involvement in eco-responsible approaches.
